January 2013

Pie of the Month Club Newsletter

Happy New Year! We at Marcie's Pies and Jimenez Family Farm wish you and your families a happy, healthy 2013!

After surviving 2012, let's all celebrate with something really special!

For our pie for January we are combining our Sugar Pie Pumpkin pie with cheesecake!

Our Pumpkin Cheesecake Pie will be a "double decker" with rich cheesecake on the bottom and a creamy layer of pumpkin on top. They are only available at our markets this month so get one soon - don't miss out!

Try our delicious Quiche and Jams as well! See our market locations attached.
