"Rhubarb Custard Pie"

The delicately textured, sweet-tart flavor has been a hit over the last couple of years. Only available in early spring - get yours before they are gone!

The creamy sweetness of the custard merges perfectly with the tartness of the Rhubarb and is finished with an oatmeal - brown sugar topping

Our farm is over flowing with great produce right now, so come out and enjoy the bounty at one of our weekly Farmer's Markets.

Hope to see you soon.
